Dear Sir/ Madam,

It is with great pleasure that I recommend Tang Shing Hei, Jasper Max to apply for a study opportunity in your school.

Jasper Max is an active member of our Academy. He has been our member of Academy since November 2019 and was attending regularly. Jasper Max is an excellent youth soccer player. He showed his passion in learning during every lesson, no matter hot weather or rainy days. He is also passion about learning new things throughout regular practices.

His interests in learning soccer skills allowed him to develop his coordination. He showed his ability in agility, balance and coordination during lessons. Quick footwork, avoid bumping into teammates and ball control with both feet are great examples.

He also showed his sportsmanship on teammates, coaches and parents. He greets other teammates before we start and shake hands after lesson ends. He helps coaches to tidy up equipments too. He also thanks his parents for taking care of him after every lesson.

He also learnt social skills from our Academy by communicating with more than 10 classmates in lessons. He developed interpersonal skills and team working skills through competing with opponents. In addition, problem solving skills are also developed when facing different challenging situations.

I am confident he is qualified to attend your school and will become an outstanding student.

Yours sincerely,

RONALD YAN Chi Kan
